# Meet Ms. Yasmin

Hí! I'm Ms. Yasmin

My name is **Yasmin**, and I was born in **Guanajuato, Mexico**. I am **23 years old** and have been living in **Colorado since 2022**. I come from a large family of **nine children**, which has taught me the importance of patience, cooperation, and strong family bonds.

For the past **two years**, I have been working with **young children**, an experience that has sparked my passion for **early childhood education**. I truly enjoy building meaningful relationships with both children and their families and learning more about how children grow and develop.

I am eager to continue expanding my knowledge in **child development** and to further develop my skills in supporting children's learning and growth.

Sincerely,

Ms. Yasmin
