Meet Ms. Rosa

HÍ! I'm Ms. ROSA

Welcome friends and parents to The Summit Academy! I am happy to be here and I can't wait to get to know your family!

I have lived in Colorado for 18 years. I am a mother of 4 children: I have 3 daughters and 1 son. I have worked with children for many years. I have taught in Mexico, as well as the States.

I love working with children because I get to serve them and do something great for them. Children are important and fragile. They are our future. I think what really impacts our children are the parents and teachers.

I am excited to create a partnership and help your child grow to their full potential.

Sincerely,
Ms. ROSA
