Meet Ms. Leslie

Hí! I'm Ms. Leslie

Welcome! I am excited to work with the students and get to know everyone. I am looking forward to helping them in their growth at The Summit Academy.

I was born in North Carolina but raised in Colorado. I attend the University of Denver and I am working towards a Bachelor of Science in Psychology. I have worked in childcare since 2023. My goal is to further my career in Early Childhood Education, while also focusing on Psychology.

I believe it is important to show positive reinforcement with my students. I love creating a positive environment for the children.

I look forward to meeting all the kids and work with all of you.

Sincerely,
Ms. Leslie
