Meet Ms. Susana

Hí! I'm Ms. Susana

My name is Susana, and I'm originally from Torreón, Coahuila, Mexico. I have six siblings, and in 2003, I moved to Colorado with my husband and children. For many years, I was a stay-at-home mom, focusing on caring for my home and raising my children.

In 2023, I took my first job at CLC as a teaching assistant, working with young children. Over time, I took classes to expand my skills, which led to the wonderful opportunity to work permanently in the toddler classroom.

I absolutely love doing arts and crafts with the children, it's something I find incredibly enjoyable. Decorating the classroom is another hobby of mine, and I take great joy in creating a welcoming space. Spending time at home with my grandchildren is also something I cherish.

I'm very excited to continue learning and growing in the field of early childhood education, and I look forward to the journey ahead in supporting children's development.

Sincerely,

Ms. Susana
