MS. AMERICA

Hi, I am Ms. America. I am passionate about early childhood education and committed to providing a safe, happy, and nurturing environment where every child can learn and grow.

I consider myself empathetic and organized, and one of my greatest priorities is supporting each child's unique development.

My favorite season is spring, and my favorite food is mole, a traditional Mexican dish. I also love trying foods from different cultures! My favorite book is Volar Sobre el Pantano by Carlos Cuauhtémoc Sánchez.

My favorite places are my hometown of Iguala, Guerrero, Mexico, and Colorado, which has become a very special place in my life. I am excited to be part of The Summit Academy community!
