

A Little Bit About Me

I enjoy cooking, shopping, watching tv at home, going to church and be part of my community.

A Few of My Favorite Things

Season | Spring and Fall

Food | Mexican food

Book |

Place | Any vacation

Meet Ms. Carmen

Hí! I'm Ms. Carmen

My name is Carmen, with over a decade of experience in early childhood education, I am dedicated to nurturing and supporting the growth of young children, particularly infants. Originally from Guerrero, Mexico, I moved to Colorado in 2004, where I initially worked in the restaurant industry before transitioning into education in 2015.

Encouraged by my sister, I joined an early childhood program, where I discovered my true passion for working with children. My work has been centered on fostering a positive, nurturing environment for infants, helping them develop essential skills during their critical early years. I believe in the importance of family, and my values of care, patience, and empathy guide my approach in the classroom.

Outside of my professional life, I am deeply committed to spending time with my large family, which includes 5 sisters, 4 brothers, 2 sons, and 4 grandchildren. Family is the cornerstone of my life, and I find joy in creating meaningful memories with them.

Sincerely,
Ms. Carmen
