

MEET MS. CARMEN

Hi, I'm Ms. Carmen! I was born and raised in Oakland, California, and moved to Colorado this January. Sorry for being another transplant! I'm so excited to be part of The Summit Academy family!

I've been working with children since 2021, starting in respite care, transitioning into ABA work in 2025, and most recently working in a preschool classroom. My favorite part of teaching is building meaningful connections with each child and watching them learn, grow, and gain confidence. I want every child to feel loved, supported, and excited to come to school!

Outside of work, I love walking my three dogs, snowboarding, knitting, hiking, and ice skating. I enjoy reading books by John Green, and my favorite meal is steak with mashed potatoes!

I can't wait to get to know your little ones and make wonderful memories together!

Book: Any book written by John Green

Season: Winter and Fall

Food: Steak with mashed potatoes

Place: Chico, California
