# Meet Ms. Yana

*Hi! I'm Ms. Yana*

My name is Yana, I was born in former Soviet Union in the big city Baku. I graduated from Early Childhood Education College in 1986. I worked at The Learning Center of Baku for 5 years. I moved to Colorado with my family in 1994 and I love it here. I worked at Kinder care center for 13 years and then found another opportunity to work at Crestmoor Learning Center in the infant room, and I stayed there for 13.5 years.

I do not have children but working with children is my passion, specifically infants, I love to see them grow and see their tiny faces every day!

Sincerely,

*Ms. Yana*
