

A Little Bit About Me

In my free time, I love to spend time with my daughter. We love to go swimming, go to the park, read together, and watch a lot of movies!

Meet Ms. Annalicia

Hí! I'm Ms. Annalicia

I'm a new teacher for Mt. Kilimanjaro 1! I'm so excited to be a part of The Summit Academy team. I can't wait to get to know all the families.

I am a Colorado Native, and I have an Early Childhood Education certification from Rasmussen University in Florida. I plan on getting my Associate Degree in ECE to continue my growth in the field. I look forward to learning a lot in this center, and to eventually be a Lead Teacher for my own classroom.

I believe in helping children create positive relationships and work on their development so they can succeed as they grow older. Thank you for allowing me to be a part of your tribe! I look forward to getting to know all of you and teach your kiddos new things every day.

Sincerely,

Ms. Annalicia
