# Meet Ms. Minerva

Hí! I'm Ms. Minerva

Welcome – I am excited to get to know all of you!

I am from Chihuahua, Mexico and have been in the United States for 14 years. I have always loved working with children and can't wait to create individualized bonds with everyone here. I studied Early Childhood Education and have been working in the field for 6 years. I am thrilled to be at The Summit Academy – there is no place I would rather be.

I believe that children are like sponges, and they absorb so much within their first year of life. As an infant teacher, I believe it is important to keep the children stimulated and loved at all times.

I can't wait to spend the next year learning and growing with you and your families!

Sincerely,  
Ms. Minerva
