Meet Ms. Elba

Hí! I'm Ms. Elba

My name is Elba Antunez, I was born in El Callao Peru, and I am proud of my roots. I am 58 years old and have 1 son and 2 grandchildren and I love to cook. Growing up I spent most of the time at Cantolao beach, the water was very cold, but I was very happy to live there. I will always carry those memories in my heart.

I love traveling and learning about different cultures, it is very extraordinary and exciting. I love nature and butterflies; my favorite colors are blue and purple I think those colors go well on me. Every time I travel to Peru I enjoy the beach, eating all kinds of sweets treats, ceviche, pollo a la brasa, lomo saltado (very popular dishes from Peru).

I am very close to my sisters; this gets me going to go back to Peru and visit them at least once a year.

I have 5 years of experience in Early Childhood, and I enjoy every day I spend with the kids, teaching and learning from them is one of the best experiences in my life.

Sincerely,
Ms. Elba
