

A Little Bit About Me

I am a big fan of the Green Bay Packers. I like spending time at home, and I enjoy my friend's company.

A Few of My Favorite Things

Season | Winter

Food | I love all the food

Book | Paulo Coelho and Caballo de troya.

Place | Colorado Mountains

Meet Ms. Vero

Hí! I'm Ms. Vero

Hello! My name is Veronica Castillo; I moved to Colorado in 2019 and am originally from Mexico. I have a twin sister and two other sisters who all live in California. I am a mother of two daughters and a son. When they were young, they attended Montessori school, which inspired me to complete a course on the Montessori method.

I began working in a school setting in 2020 and have since developed a strong passion for working with young children. I enjoy creating a variety of activities, especially art projects, and I value the opportunity to watch children express their creativity. I firmly believe that children learn best through play, and I strive to support their growth in an engaging and nurturing environment.

Sincerely,
Ms. Vero
