Meet Ms. Rocio

Hí! I'm Ms. Rocio

My name is Rocio Cobos, I moved to Denver in 2001. I fell in love with Colorado; the stunning mountains and breathtaking views always leave me in awe.

I have three kids, two of them have already got married and my youngest son (13) lives with me. I've always liked working with toddlers. 17 years ago, I had the opportunity to go to school for Early Childhood Education and work with little kids. It's amazing how fast they learn, and it makes me proud that I can help grow the future generations.

I am excited to create a safe, happy and healthy environment for children and families. I can't wait to create new memories with TSA.

Sincerely,
Ms. Rocio
