# Meet Ms. Petra

Hí! I'm Ms. Petra

Hello, I'm Petra. I've lived in Colorado since 2000, and my life has always been filled with the joy and energy of children. As a mother of five, grandmother of twelve, and great-grandmother to one, I've had the privilege of watching children grow and thrive at every stage of life.

In 2007, I began working in home daycare, a decision that sparked my passion for early childhood education. Over the years, I've pursued numerous classes and training focused on child development, which has deepened my understanding of how to nurture children's emotional, social, and cognitive growth.

I truly enjoy spending my days with children of all ages, helping them build friendships, manage their emotions, and learn new skills. Every day, I get to witness the wonder of a child's growth, and I take great joy in being part of that journey.

Sincerely,  
Ms. Petra
