# Meet Ms. Jessica

*Hí! I'm Ms. Jessica*

Hello, my name is Jessica, and I'm so happy to be part of The Summit Academy as an Assistant Teacher! I was born in Chicago and grew up in Mexico, where I spent most of my childhood and teenage years. I recently moved to Colorado this year and have really enjoyed getting to know the beautiful community here.

I am the oldest in my family, and I've always loved caring for and guiding others, it's one of the reasons I feel so connected to working with young children. I've been in Early Childhood Education for two years and truly enjoy creating fun, nurturing, and safe space where children can grow, explore, and feel loved. I'm passionate about helping every child feel seen, valued and confident in themselves.

Outside work, I love going to the gym, traveling, spending time with family and friends, finding new coffee shops and enjoying nature. I am so excited to be part of this amazing community and look forward to growing together with our students and families.

Sincerely,  
*Ms. Jessica*
