

A Little Bit About Me

In my free time, I enjoy listening to music and taking my fur baby, Rocco for walks. I also love going on adventures and exploring new places with my boyfriend. Playing games is another activity I enjoy.

Meet Ms. Anissa

Hí! I'm Ms. Anissa

I was born and raised in Denver, Colorado. I have five siblings and come from a loving family. I would describe myself as caring, patient, fun, and helpful, and I love helping children feel safe, valued, and loved.

I have been babysitting since I was 10 years old, and I also spent a lot of time caring for my grandparents, who helped raise me and shaped the person I am today. I have always found joy in helping children feel respected and cared for. Before joining Summit, I worked at a retirement home, where I helped residents choose their meals and made sure they received them on time. That experience taught me how much I enjoy caring for others.

I am grateful to be part of the Summit family and excited for this new chapter. My hope is to help children know they are loved, supported, and safe. Thank you for trusting me with your child. I look forward to teaching them new things, making them laugh, and creating unforgettable memories together.

Sincerely,
Ms. Anissa
