Meet Ms. Sydney

Hi! I'm Ms. Sydney

Hi! I'm so excited to be a part of the team here at The Summit Academy.

I was born and raised right here in Lakewood, CO. I've taken some college courses in Art Education. I've worked in childcare for a couple years, working with all ages. I've loved building relationships with all the students I've worked with. I plan on continuing my ECE journey and career.

I believe it is important for teachers to help provide growth for the children. I can't wait to meet all of you. Thank you for allowing me to be here and a part of your lives!

Sincerely,
Ms. Sydney
