Meet Ms. Cristina

Hí! I'm Ms. Cristina

My name is Cristina Saucedo. I have been happily married for 24 years and am a proud mother of five children. I moved to Colorado 26 years ago and have developed a deep appreciation for this beautiful state.

I am actively involved in my church, where I serve by evangelizing and supporting the spiritual growth of children and young people. I greatly value the time I spend mentoring and engaging with them. Additionally, I assist with school meal programs, supporting the well-being of children even in roles that are not directly educational. Ensuring their safety and fostering their growth is a priority for me, as I believe it helps them learn valuable life lessons and prepare for the future.

I have completed courses in Early Childhood Education and am eager to work directly with children, learning from them as much as they learn from me. Simple moments—like seeing children greet me warmly in the hallway or in classrooms—bring me immense joy and motivation. I am passionate about creating positive experiences that contribute to their development and well-being.

Sincerely,
Ms. Cristina
