Meet Ms. Reyna

Hí! I'm Ms. Reyna

My name is Reynalda Susana Lopez. I was born in Guatemala and moved to Colorado in 1996 when I was 11 years old. As the oldest of six siblings, I developed a natural passion for caring for children from a young age. I have worked in an elementary school for six years in food service, where I supported students daily and built meaningful connections with them.

In addition to this experience, I have a background in early childhood education, which has strengthened my understanding of child development and my ability to support children's social, emotional, and academic growth. I love working with children because their enthusiasm, joy, and curiosity create an uplifting environment that inspires me every day.

Sincerely,
Ms. Reyna
