# Meet Ms. Diana

HÍ! I'm Ms. Diana

I was born and raised in Mexico City, Mexico. I have four siblings and come from a big, loving family that shaped who I am today. I am caring, patient, fun, and compassionate, and I strive to help every child feel safe, valued, and loved.

I began babysitting at 14, which helped me discover my passion for teaching. I love being part of each child's journey and seeing them learn, grow, and reach new milestones. My goal is to create a classroom filled with love, patience, encouragement, and fun, where every child feels respected and cared for.

Before joining The Summit, I spent four years teaching Spanish at a bilingual learning center using the Philadelphia Method.

That experience taught me that children learn best through play, hands-on experiences, creativity, and meaningful relationships, shaping the teacher I am today.

I am grateful to be part of The Summit family and excited for this new chapter. My hope is that families feel confident leaving their children in my care, knowing they are safe, loved, and supported. I also hope each child leaves school happy, confident, and carrying positive values that last a lifetime.

Thank you for trusting me with your child. I look forward to partnering with your family and making this school year full of learning, laughter, and unforgettable memories!

Sincerely,  
Ms. Diana
