

A Little Bit About Me

When I'm not at the Summit Academy, I love to spend time at home with my family. My husband and I just welcomed our newest addition to our family in July 2023 – a sweet baby boy! In my spare time, I love doing 5K obstacle courses, escape rooms, or going on adventures with our two dogs, Cauchy and Bambii!

Meet Mrs. Kelsey

Hi! I'm Mrs. Kelsey

Welcome to The Summit Academy! I am so excited to be a part of your little one's chapter here! I look forward to creating strong and long-lasting relationships with all of you.

I am a Colorado Native, and I graduated from Regis University with a Bachelor of Science in Mathematics. I've worked in childcare since 2015, and I fell in love with it. I received my ECE Director Qualifications in 2022, and am eager to create a safe, welcoming, and loving environment for little ones to grow and learn!

I believe it is important for Early Childhood Educators be positive in their classrooms and aide in creating an early love for school at a young age. As they grow and develop, we are helping shape them into strong leaders of the future!

I look forward meeting you and your little ones and help guide your family as you embark on this journey here with us at The Summit Academy!

Sincerely,

Mrs. Kelsey
