

A Little Bit About Me

I spend my free time at the gym and with my 4-year-old. We like to take our dog "Channel" on walks and spend time outdoors.

Meet Ms. Liz

HÍ! I'm Ms. LÍZ

I was born in Torreón, Coahuila, Mexico, and moved to Colorado with my family at the age of 16. I am the mother of three children, ages 20, 15, and 4.

My work with young children began in 2017, when I joined a small nursery. Since then, I have truly enjoyed working in early childhood education. I am continually inspired by children's creativity, curiosity, and growth.

Working with young children has also had a positive impact on my own parenting, allowing me to create meaningful experiences with my children and support their development. I especially enjoy doing art with the children, as it gives them opportunities to express themselves and explore their imagination.

I value ongoing learning and look forward to continuing to apply and expand my knowledge in the field of early childhood education.

Sincerely,
Ms. LÍZ
