

### A Little Bit About Me

---

When I'm not with children, I'm usually in the plant section. I love Nature and Movies. Love Creative crafts.

### A Few of My Favorite Things

---

Season | Fall

Food | Italian

Book | Pout Pout Fish

Place | Mountains

# Meet Ms. Katie

*Hi! I'm Ms. Katie*

I was born in Ft. Dix, New Jersey, and moved to Colorado. I was raised in Aurora, Colorado, and I am the proud mother of four wonderful daughters. I am also a proud Nonna to three fabulous grandchildren—two boys and one girl, ages 14, 6, and 3. I am surrounded by children—mine, theirs, and yours—and I wouldn't want it any other way.

In 2001, Evergreen, Colorado, I opened my licensed in-home daycare caring for children and building relationships daily, realizing this was my passion. I furthered my knowledge in several ECE courses receiving my Infant/Toddler supervisor certificate along with others. In 2008, I took on my first corporate childcare position. I enjoyed teaching so much that I continued for years following the present time. I have cared for infants to preschool age. I found my favorite age was the preschoolers. After more than 20 years, my passion for teaching is still strong. I love seeing the wonder in a child's eyes as they learn and grow. Children are truly the purest form of love, and I believe in surrounding myself with love every day.

I am excited to be a part of The Summit Academy assisting in your child's learning and growth. Together we can climb to the "SUMMIT" of Early Child Education, creating a classroom family with positive, independent and happy learners.

Sincerely,  
*Ms. Katie*
