Meet Ms. Sarha

Hí! I'm Ms. Sarha

My name is Sarha Flores, I moved to Colorado in 2003 and have been happily married for 12 years. I am a proud mom of two wonderful children, Iker and Gianna. I love creating special moments with my family. Traveling and exploring new places brings joy to me. I stay active through hiking, going to the gym and enjoy being a supportive soccer and gymnastics mom. In my free time I love savoring cozy moments at home.

I have more than 11 years of experience in Early Childhood Education, including seven years as a classroom teacher and four years as a director. My background in both teaching and leadership allows me to support educators, families, and children with understanding and care.

I am passionate about creating nurturing, inclusive environments where children feel safe, valued, and excited to learn. I believe that strong relationships are the foundation of Quality Early Learning Education and I strive to build meaningful connections with every family and staff member. I try to live by the motto: "Do unto others as you would have others do unto you."

I am excited to be part of TSA family and look forward to contributing and growing with this amazing community.

Sincerely,
Ms. Sarha
