Meet Ms. Laura

HÍ! I'm Ms. Laura

Hello – Hola!

My name is Laura, and I am originally from Durango, Mexico. My childcare career began with my in-home daycare in 2006, and I have loved every moment of it since. I have been working with children for 16 years, and I will never get tired of learning and teaching new things!

I love to continue my education in Early Childhood and love experiencing all age groups. Each group comes with new challenges and a deeper love for the field!

I am bilingual, and my primary language is Spanish. I love being able to bring this into my classroom by sharing songs in Spanish. I also really enjoy doing art with the children as well. I believe in an open-door policy and truly believe it takes a village to raise a child. I am so excited to be a part of your tribe!

Sincerely,

Ms. Laura
