# Meet Ms. Alexa

*Hí! I'm Ms. Alexa*

I am honored to be part of your child's educational journey. My name is Alexa Chavez, and I am originally from Mexico. I am delighted to meet you and grateful to be part of The Summit community. I truly enjoy working with children and supporting their growth.

I previously worked at an elementary school, where my time in the kindergarten classroom taught me a great deal. Working with children is a truly special experience, and it brings me so much joy to watch them grow and support them as they learn. I believe a positive, caring environment is essential to their development, and I am grateful to be part of this team.

Sincerely,  
*Ms. Alexa*
